New Driveway LINER

Stone, slate and brick borders for driveways, patios, and other hardscapes

BEFORE

This revolutionary process provides an attractive accent that brings distinction to your driveways and landscape settings. A wide range of patterns and styles are available to match any architecture.

AFTER

- Attractive & stylish border for any setting
- Adds distinction to driveways, patios & entrances
- Multiple patterns of brick and stone can match any existing architecture or hardscape
- Clean, fast installation can change a landscape in 1 day

Liners are available in three different styles:

- 8 x 5 Angle
- 8 x 4 Flush
- 6 x 5 Belgium Block

RESIDENTIAL

COMMERCIAL

Belgium Block provides a bold, granite border that has the strength, durability, and same look as traditional masonry at a fraction of the cost!
